Join the largest temporary public art exhibition in the south as your company aligns with one of the largest, most wide-ranging urban redevelopment programs in the country that connects 45 neighborhoods — the Atlanta BeltLine.

**JULY 2019 THROUGH JUNE 2020**
This year we’ll celebrate the 10th anniversary of Art on the Atlanta BeltLine!

**About Art on the Atlanta BeltLine**
Art on the Atlanta BeltLine strives to make art accessible to all and spans seven miles of trail on the east and west sides of Atlanta, with access opening to southside and northwest portions this year. The program represents artists from across Atlanta, the nation, and the world and in a variety of mediums. Now in its 10th year, Art on the Atlanta BeltLine is taking a new approach with expanded focus areas, new events and a year-long temporary exhibition.

The exhibition features the work of hundreds of local, national and international visual and performing artists. Selected installations will include sculpture, dance, murals, theater, outdoor concerts, parades, performance art and more. Art on the Atlanta BeltLine turns the paved and interim hiking trails and parks along the Atlanta BeltLine corridor into a free, linear gallery of public art and performance, exemplifying the transformative nature of the most important redevelopment project in the history of our city.

Over 300 artists participated in the 2018 exhibition and there has been more than a 40% increase in funded art since the project’s inception, proving that there is a strong demand for public art in Atlanta. Learn more: [art.beltline.org](http://art.beltline.org)

Your sponsorship helps keep the Atlanta BeltLine vision on track — transforming neighborhoods into lively, beautiful, sustainable places with arts at the core of the corridor.

**Who We Are**
Formed in 2005, the Atlanta BeltLine Partnership (ABP) provides the collaborative platform advancing the Atlanta BeltLine project. ABP enables the project by raising money from the private sector and philanthropic community; engages the public through programming, events and activities; and empowers residents of Atlanta BeltLine neighborhoods through partnerships that bring about positive outcomes in the areas of health, housing and economic opportunity.

Atlanta BeltLine, Inc. (ABI) was formed in 2006 to manage the implementation of the Atlanta BeltLine project. Tasked with overseeing the planning and execution, ABI works closely with City of Atlanta departments to define details of the plan, secure public funding, inform and engage members of the community, and serve as the overall project management office for construction of the trails, transit, parks, and other key components.
