Help illuminate one of Atlanta’s great traditions as your company aligns with one of the largest, most wide-ranging urban redevelopment programs in the country that connects 45 neighborhoods — the Atlanta BeltLine.

SEPTEMBER 21, 2019
This year we’ll also celebrate the 10th anniversary of Art on the Atlanta BeltLine!

About The Lantern Parade

The Lantern Parade — created by and featuring Chantelle Rytter and the Krewe of the Grateful Gluttons — is one of largest lantern parades in North America. This free celebration brings people from near and far together to enjoy an artistic experience like no other around the BeltLine.

A glowing procession of light, music, and color that illuminates the Eastside Trail each year, the Lantern Parade debuted in 2010 and has been growing ever since. In 2012, 1,200 participants and tailgaters joined us on the parade route. In 2018, the Atlanta BeltLine Lantern Parade brought more than 70,000 people together for an awe-inspiring spectacle of light and sound!

The Lantern Parade is the highlight event of Art on the Atlanta BeltLine, the largest temporary art exhibition in the south that spans the paved trails of the Atlanta BeltLine making it a linear gallery representing artists from across Atlanta, the nation, and the world.

Who We Are

Formed in 2005, the Atlanta BeltLine Partnership (ABP) provides the collaborative platform advancing the Atlanta BeltLine project. ABP enables the project by raising money from the private sector and philanthropic community; engages the public through programming, events and activities; and empowers residents of Atlanta BeltLine neighborhoods through partnerships that bring about positive outcomes in the areas of health, housing and economic opportunity.

Atlanta BeltLine, Inc. (ABI) was formed in 2006 to manage the implementation of the Atlanta BeltLine project. Tasked with overseeing the planning and execution, ABI works closely with City of Atlanta departments to define details of the plan, secure public funding, inform and engage members of the community, and serve as the overall project management office for construction of the trails, transit, parks, and other key components.
